

hiring

Our crews make good business sense for your business or organization.

Outsourcing some of the day to day functions of your organization is one of the best decisions you can make. Partnering with Add to put functions like the ones below in the hands of people you can trust lets you focus on what you do best.

- Commercial cleaning
- Residential cleaning
- Carpet cleaning
- Flooring
- Painting
- Vending
- Shopping and delivery
- Yard Services
- Power washing
- Copying/Scanning

Our professional crews are trained, licensed and passionate about doing any job to your complete satisfaction. From the smallest detail to the final deadline, our people are excited, dedicated and committed to doing a great job, with a great attitude, delivering great results. Whether you have a one time or an ongoing need for any of our services, give us a call and let us prove why hiring us makes good business sense.

www.addohio.org

The people Add supports are passionate about living life to the fullest. No limitations, just expectations. Not what someone can't do, but what moves someone forward. So we exist exclusively, unitedly, and passionately to make life better for every individual we serve. And we hold nothing back in the way of services, creativity and innovation to embrace the simple concept that the quality of someone's life is the best and fullest it can possibly be.
